Denver-based ux designer passionate about crafting seamless, user-focused digital experiences. Skilled in user research, wireframing, prototyping, and collaboration with cross-functional teams. Dedicated to delivering high-quality solutions, eager to learn, and ready to grow in a dynamic, collaborative environment.

EXPERIENCE

FOUNDER & DESIGNER

UX by MF LLC. | Oct 2024 - Present

Established a startup focused on creating meaningful user experiences. Developed designs and content for small client projects, tailored to enhance their business needs. Actively networking, collaborating, and refining to help grow the business.

PATIENT COORDINATOR

Kohrs Orthodontics | July 2024 - Present

Served as the primary point of contact for patients, addressing inquiries and facilitating seamless treatment plans and follow ups. Verified insurance eligibility and processed claims, reducing billing errors and improving revenue recycle efficiency. Handle payments, manage financial transactions, and maintain accurate financial records to balance books.

UI/UX DESIGN INTERN

Dualboot Partners | Oct 2023 - May 2024

Worked on client facing projects to produce discovery material to produce hi-fidelity and clickable prototypes. Implemented alongside project managers, developers, and stakeholders to address feedback and ensure the projects goals were met on time. Collaborated with the internal team, including creating a design system and performing development handoffs for proper implementation.

UX DESIGN INTERN

Thirty Capital | Jan - Aug 2021

Contributed in the understanding and improvement of design phases alongside Lobby design team. Enhanced my understanding of color theory, typography, and elements of design. Designed Holiday themed logos for Lobby, and a special logo for the sales team.
